Color Analysis (at my office): What colors should you wear to really create that wow effect and that will make you look youthful and glowing? What neutral colors will be the best to support your wardrobe and what metal tones will look best on you? And, what colors should you *avoid* wearing? Color analysis session includes custom ordered set of approximately 85 color swatches.

\$150 1+ hour

Complete Image and Color Analysis (at my office): Experience this head to toe image assessment and discover how to best dress your body type, what your style personality is and how to apply it in your wardrobe. Also learn the best necklines for your face shape, all about accessorizing, great make-up colors (women only), hair assessment and extensive personal color analysis (above). Follow-up notes of your session and custom ordered set of approximately 85 color swatches included. **\$325 2.5 - 3 hours**

Virtual Makeover (at my office) - *New!*

We'll take your photo and load it on to a virtual makeover site and 'play' with different hair and make-up options that work with your coloring and face shape. Leave with at least 3 new looks! **\$125 1 hour**

"Fast Track Session"(at your home) - *New!* This appointment is for those who want to condense their complete image and color analysis and closet surgery sessions into one faster (but less comprehensive) appointment. We will quickly assess your colors and body shape and determine what is and isn't working in your closet. **\$125 first hour; \$75 an hour thereafter (averages 2-3 hours)**

"Shopping Fast Track Session" - *New!* For the person who is ready to make changes quickly and needs new clothes right away. We'll meet in a larger store, quickly assess your colors and body shape and get right to some shopping! **\$125 first hour; \$75 an hour thereafter (averages 3 hours)**

Closet "Surgery" This appointment will make you feel like a burden is lifted! Clear out clutter while we assess clothing, shoes, coats, handbags and other accessories. We'll weed out, reorganize and make a shopping list of wardrobe items needed.

\$125 first hour; \$75 an hour thereafter (averages 2-3 hours)

Shop Your Own Closet Let's go on a treasure hunt and discover some outfits that you didn't even know you had! Let's find the possibilities before you spend money in the stores and you can even photograph your outfits for a visual reference.

\$125 first hour; \$75 an hour thereafter (averages 2-3 hours)

On-Line Shopping or Research - *New!* \$50 per hour

Interview Prep Do you have a great outfit ready for that all-important job interview? Let's put together a winning look including what accessories to wear to help you land that new job.

\$125 first hour; \$75 an hour thereafter
